INTRODUCTION

The IFTA Film & Drama Awards are presented by the Academy, and are a platform to honour and celebrate outstanding Irish creativity, talent and achievement; to encourage a high standard of arts and technique in work produced in both Film and Drama.

The Irish Film & Television Academy will host two Awards ceremonies in 2018; the **IFTA Film & Drama Awards** in February and the **IFTA Gala Television Awards** in April 2018.

The **IFTA Film & Drama Awards** Ceremony will take place in the Round Room at the Mansion House in Dublin in **February**, and will celebrate and honour the very best in Film, Television Drama, Feature Documentary, Live Action Short and Animation. The **IFTA Television Awards** ceremony will take place in **April** in Dublin, and will celebrate and reward **the very best TV programmes and talent on the small screen**.

This document covers the Film & Drama Awards only - the Awards are open to all talented Irish people working in the film and television industries in Ireland and internationally on titles screened during the Awards year.

PRODUCTION DESIGN *

Feature Films and Drama are eligible. Eligibility is limited to the Production Designer.

SOUND *

Excellence in all areas of Sound in a Feature Film, Feature Documentary, TV drama. A maximum of three names can be submitted and must include the following roles to represent the Sound Team:

1. Location Recordist
2. Supervising Sound Editor/Sound Designer
3. Sound Re-recording Mixer

A minimum of one of the three people submitted should be Irish.

ORIGINAL MUSIC*

Entries must demonstrate suitability of an originally composed musical score to the plot/theme of a Feature Film, Feature Documentary, TV drama. A project will be automatically eligible if more than 75% of all of the music featured in it (score, source and any other music) is original composition created specifically for it; Films with more than 50% original music are eligible at the discretion of the Music Jury; Original songs created specifically for the film may contribute to the total amount of original composition. Eligibility is limited to the composer(s) of the original score, responsible for the overall conception, design and execution of the work as a whole; Where the composer created less than 50% of the original music, additional contributors may be considered. Entrants must specify the percentage of original music.

VFX *

VFX submissions should be submitted individually and not as part of any other submission.

Consideration will be given to the contribution the digital VFX has made to the overall production and the artistry, skill and fidelity with which the visual illusions are achieved. Feature Films, Dramas and Feature Documentaries and Short Films are eligible.

Eligibility is limited to those individuals with primary creative responsibility for the special and visual effects achieved within the production; A maximum of **two** names may be submitted, a minimum of one to be Irish. The VFX/Post house will be credited where applicable.

The proposed candidates for nomination should be those responsible for the most significant and outstanding effects within the film, generally the visual effects supervisor, and/or animation supervisor. The film's producer(s) and senior visual effects supervisor(s) must be fully consulted in the process of selecting those who should be credited;

VFX producers, coordinators and executives are not normally eligible unless it can be shown that they are directly and creatively responsible for the effects achieved;

If the VFX team submitted was not responsible for the digital VFX of the entire show being submitted, a short statement should be submitted outlining the specific work done by the team.

SUBMISSION MATERIAL:

- **A short reel only must be submitted for circulation to Jury and not a link to the entire show/film for Round One. Note – a link to the full show may disqualify the submission.** This reel should demonstrate how key scenes/effects included within exhibited prints of the film were achieved and it should be a fair reflection of the visual effects input into the production;
- The reel may last a maximum of five minutes; 'before and after' footage may be included, there should be no voiceover or talking heads, but factual captions may be used.
- The Synopsis for the submission should be a brief overview of the VFX work rather than a synopsis of the plot

Additional submission material – optional

- A Short statement about the effects achieved within the production may be submitted for circulation to the Jury. This statement should explain how the key elements of the production were achieved and should be a fair reflection of the visual effects input into the production;
- The statement can include images (stills from the film only), and should be no longer than 1000 words. This statement may be submitted by email as a PDF to submissions@ifta.ie

VIDEO CODEC

Codec: H.264 (AVC)

Advanced H.264 settings: To make your upload extra smooth, choose the following advanced settings whenever possible.

- Closed GOP
- CABAC (to reduce your file size)

AUDIO

Codec: AAC-LC (Advanced Audio Codec)

For best results, we recommend using AAC-LC (low complexity) for the audio codec.

Data rate: 320 kbit/s

For best results, encode your audio at constant rate of 320 kbit/s.

Sample rate: 48 kHz

For best results, set your audio sample rate to 48 kHz. If your working setting is already less than or equal to 48 kHz, leave it as is.

BIT RATE

Bit rate (also known as data rate) controls the visual quality of the video and its file size. The rate is most often measured in kilobits per seconds (kbit/s). If your video editing software gives you the option, choose a “variable” bit rate and set the target to at least 2,000 kbit/s for standard definition (SD) video; 5,000 kbit/s for 720p HD video; or 10,000 kbit/s for 1080p HD video.

| Quality | Bitrate (kbit/s) |
|----------------|-------------------------|
| SD | 2,000 – 5,000 |
| 720p | 5,000 – 10,000 |
| 1080p | 10,000 – 20,000 |

FRAME RATE

24, 25, or 30 FPS (Constant)

Vimeo accepts videos with frame rates of 24 (or 23.976), 25, and 30 (or 29.97). If you know the frame rate of your footage, it's best to encode your final video at the same frame rate. However, if your footage exceeds 30 FPS (frames per second), you should encode your video at half that frame rate. For example, if you shot at 60 FPS, you should encode your final video at 30 FPS. If you're uncertain what frame rate you shot at, set your frame rate to either "Current" or 30 FPS. If there is an option for keyframes, choose the same value you used for frame rate. Important: Always choose "constant" frame rate instead of "variable" frame rate.

RESOLUTION

Common resolutions for SD video include 640 x 480 px (4:3 aspect ratio) and 640 x 360 px (16:9 aspect ratio). HD video is usually formatted at 720p (1280 x 720 px) or 1080p (1920 x 1080 px).

| Format | Resolution |
|--|-------------------|
| Standard Definition (SD) 4:3 aspect ratio | 640 x 480 px |
| Standard Definition (SD) 16:9 aspect ratio | 640 x 360 px |
| 720p HD Video 16:9 aspect ratio | 1280 x 720 px |
| 1080p HD Video 16:9 aspect ratio | 1920 x 1080 px |

IMPORTANT NOTES

- a. You must create a stand alone VIMEO Account. No other videos should be uploaded to this account.
- b. A brief synopsis of the Project (This should be a max of 350 characters including spaces) may be supplied (please use the same synopsis throughout the submission process). There should be no further details of your programme on this account.
- c. Please name your submission: IFTA Submission: "Name of Programme".
- d. For your film's privacy we recommend you choose that your Video is not available for download.
- e. This account should be disabled within 30 days of Awards Ceremony (Thursday 15th February)
- f. For Television Drama Series being submitted, please submit one episode that best represents the project. You can submit different episodes for different categories (i.e. if you are submitting for Drama Series, Actor, Director, Costume, Editing, etc.)
- g. Your submission is not complete until IFTA receives a digital link and 10 DVDs.
- h. Submissions may be supplied by way of Broadcast iPlayer, for further information please contact submissions@ifta.ie.

TERMS AND CONDITIONS

- IFTA reserves the right to change or amend these rules and regulations without notice and at any time.
- IFTA reserves the right to not present an Award Category if there are not enough submissions entered.
- IFTA reserves the right to amend or change criteria if necessary and such changes will be published in www.ifta.ie, and submitters to the relevant category will be notified.
- IFTA reserves the right to announce a shortlist less than, or more than, four nominees.
- Entries received after the deadlines are ineligible. Incomplete entries are also ineligible.
- IFTA recommends careful consideration in submitting nominees names and that all parties involved are consulted in advance of making the submission to check that the correct individuals are submitted and to ensure their eligibility. **Please note that any changes made to these credits once the Voting Season has begun will result in an administration charge of €100, or could result in the submission being dropped.**
- Eligibility for all awards shall be determined by credits as they appear on screen. In the event of any dispute, IFTA reserves the right to declare any achievement ineligible, or to withhold any Awards until any dispute is resolved.
